We are excited to share with you the culmination of our year-long effort to create [*A Virtual Cruise to Puerto Rico*](#). It introduces visitors to the languages, arts, music, food, history and natural wonders of the island. Special thanks goes to our Trustee *Emerita* Dr. Pat Barr-Harrison, the exhibit designer and producer. She gently but tirelessly led a team of volunteers and interns in researching, recording, and curating this immersive experience. Please give the presentation time to load as you explore the offerings of this exhibit [here](#)

We continue to build our exhibit, [*The Power of Poetry: Resisting Injustice with Language*](#). Each month we add new poems, background information, translations, and other interesting information about the poets or the impact of the poems on society.
